

Goldilocks is a very selfish girl. She loves to eat candy and sleep. One day, she finds an empty house with three plates of food. She tries to eat them. One of them is too hot, the other is too cold, and the third one is just right. Then, she tries to rest on the three chairs. Only one of them is comfortable. Finally. She sleeps on one of the beds. Then, she hears a roar. She is in a house full of bears! And they're angry!
